Valued LVL Owners,

The staff at Lost Valley Lake would like to say thank you for your continued support of the Resort and its staff, we extend our appreciation to each of you. We understand the unprecedented and unforeseen events that have recently taken place may have caused some turmoil but “Difficult roads lead to beautiful Destinations” – unknown author

The beauty within, simply stated your Resort continues to rate in the top 3% of Resorts out of 14,000 resorts nation-wide as well as being rated 29.5 out of 30 possible points. These ratings are generated by two separate independent rating agencies. In addition, Coast-to-Coast listed Lost Valley Lake as one of the top twenty (20) Top See Resorts in the nation in 2016. These exceptional ratings did not happen by themselves – they are a direct result of you the Owners. You have each played a part in making Lost Valley Lake one of the top Resorts in the nation.

It is our mission as the staff of this great resort to maintain a safe, friendly, beautiful environment for its Owners. Our goal is to focus on the positive and continue moving forward. With that being said, it is our honor to serve you as owners, we stand ready to assist you and strive to maintain your resort at the highest possible level.

With Great Appreciation,

Tom Fannon, CEO MAR
Carrie Tainter, Resort Manager LVL
